## SOCIAL CLUB NEWS

Hello everyone,

This Cobba news seems to come around faster all the time. It's hard to believe we are almost in May as I write this report.

**Mothers Day on the 8th May** is our next big event and we hope to see you there! The team is cooking up a succulent Lamb Roast and all the trimmings for you to enjoy. Our favorite musician Roger will be on stage to entertain us through the afternoon. We will also have some freebies for the ladies and lots of great raffle prizes too! All Welcome!

**The Happy Hours** are going along nicely and we have now increased the number of meat trays

**Next Happy Hour** will be in **Friday 13th**, we ask everyone to wear something Black & white.

**Tavern nights** are also well attended and a lot of fun so come along and join us for a drink and a chat. These nights start at 4.00pm with the bar open, bring along some nibbles or even your tea and make a night of it as you meet new folks.

Thanks to everyone who help us out at happy hour your help is appreciated. Betty is back on deck after a week in bed with a nasty cold.

Well, the Easter Bunny has been and we are all full of yummy chocolate and a few glasses of wine or two. We do ask you to keep an eye on the notice board to keep up with any changes that may occur.

Looking forward to seeing you at our next function. *President* Trish

***WATER AEROBICS:-*** Due to the inclement weather, we have decided to go into recess. If conditions are favourable we may resume again on 26th. September. A notice will appear in the glass notice board. Happy holidays to all those who are heading off very soon, and have a safe return.  
Best wishes to all from *Tess*

***EXERCISE:-*** Thank you to Judy for helping out while I have been away on holiday. Also, welcome back to the other members of our group that have also had holidays. We will have to work extra hard now to get back into shape. For any newcomers to the village, our classes are held in the Rec Hall every **Tues and Thurs mornings from 7.15 am - 7.45 am.** Come along and join in the fun with gentle walking steps to music.

Hope to see some of you there. Cheerio for now *Denise*

***TRIVIA:-*** As always a really fun evening. We promised 'no more cricket questions' well there was only one. Remember we cannot continue without your support so come along and bring your **friends** and **visitors.** A reminder that if you don't have a team of four we will match you up with other players. It only costs \$3 to play and we have great prizes. I heard a rumour that some Cobakites were reluctant to have a go for fear that they would embarrass themselves. Well we don't have any Einstein's turning up so far so we are all free to enjoy ourselves and have lots of laughs. Results from our April session were > 1st- 'Dinki Di's' 2nd- 'Shocking' and a tie for third between '4 from 3' and 'Hot Shots'. Mac Jones won the Lucky Door Prize. We meet again on **Wednesday May 4th at 6.30 pm in the Rec. Hall.** Come and play with us. We would love to see you.  
*Maureen, Doreen & Myrna*

***LINE DANCING:-*** Sorry to have to make this report but Thursday 28th April was our last day, due mainly to lack of support and medical problems also being a factor.

For the last two weeks it was lovely to have Ann, Trevor Hardy's sister, join us while on holiday from Spain. It is sad that we have to finish after being one of the very early activities started in the village. In the very early days we used to also go over to Seagulls who ran sessions on a Monday nights. I would be the last of the original members.  
*Elizabeth*

The Line Dancing in the village has been going since 1995 and Elizabeth would have been one of those very early dancers. There have been many who have enjoyed the sessions over those years. When it was started it was a past resident was teaching it. Thank you Elizabeth for all the work you have put into it over those many years. You have been a great ambassador

From *Cobba News..Kath & Harry*

**COMPUTER CLUB:-** Hi folks, The internet is going to have some variations made to addresses in the near future. The system that has been working for years now is almost over-loaded and there will soon not be any space left for new addresses. So...a new system known as **IPv6** will start operating with some Internet Providers in June or July this year. Probably the first ones will be in USA but not much else is known yet. If you see a somewhat different style or type of address coming through, this will be the reason why. I guess it won't really effect us much We meet on **Fridays in the D.K.Centre at 10 o'clock.**

Everyone is welcome to come along. If you have a problem we'll try to solve it for you or you can show us the latest gadget you've just acquired! **Mac**

**CANASTA CLUB:-** Another month gone! Nothing new to report, except that our numbers are getting back to normal - it was great having 16 present this week. My thanks to those who arrive early and assist in setting out the tables and chairs ready for play. Also, it is very helpful if everyone comes about 5 minutes early so that seating arrangements can be worked out and we are able to start on time. Over the years I have been a member of several card clubs and I can honestly say that never have I heard such laughter and hilarity from any other group of players. We do not take ourselves too seriously but we do have good games. The new rule we made, which causes 100 points to be taken off the score if anyone miscalculates and puts down cards which don't add up to the required number, was applied last week - won't mention any names, but the culprit was soon jumped on. He? or She? now has the honour of being the first to be penalized for this breach of our rules (we do make up a few of our own!).

Newcomers welcome - **WEDNESDAYS - 1.00 to 4.30 p.m.**

**Joy**

**SINGLE LADIES :-** April has not been so busy (thank goodness). Our monthly lunch was at Club Banora and was enjoyable as usual. Our visit to the Port of Brisbane was very interesting . Unfortunately visits to the Port will be more expensive in future – tour buses will be charged \$10 per person per tour. Some of us have been to the morning shows in Twin Towns and thoroughly enjoyed them. No more trips are planned for the next couple of months.

We are off to the Sunshine Coast for Christmas in July - 3 days and 2 nights. That trip booked out in a few days and there is a waiting list. **Jean Carter**

**BINGO:-** Thank you Denise for helping Lillian with the bingo while Michael and I were cruising around New Zealand. We had a great time but it is always nice to get back home to Cobaki. We meet every **MON. at 1-00 pm sharp.** Everyone welcome **Jean & Lillian**

**LIBRARY:-** Thanks to Jim for looking after the library while I was away. To all those who have donated to our great library a big “**thank you**” Please check your DVD's, it seems a lot have been borrowed and you may have forgotten to return them. There are books in the library to suit all readers, not forgetting the magazines and of course for their mind very active why not try a few jig-saws. The ask we have is keep the area neat and tidy all returns go on the white trolley. Remember to drop the items form the library back as soon as you have finished with them, someone could be waiting on it.

Hope you all had a great Easter **Ian**

**CRAFT:-** We have had a very quiet month this month, with a lot of our ladies going on various bus trips, so our numbers have been down, also we have not had any birthdays to celebrate, so our girth rate has fallen too. It was really great to see **Nessie** come to spend a little time with us, what a trouper! Although she has been finding it hard to summon up the strength to walk, she still made it to see her old crafty mates and spend a little time with us, "On Ya Ness."

We have plenty of room for any new people who have recently come to live here. We are a happy band of Arty, crafty women who will welcome you into this group. We meet in the hall **Thurs afternoons at 1.00pm** ( we also have some great cooks who make yummy afternoon tea )

If you are looking for company while doing your *thing*, do come and join us. **Mary**

President of the United States was on a official visit to the U.K. He was met by the Queen at London Airport in her Rolls Royce, and they drove to Buckingham Palace. The next day they had an official function to attend and as the weather was so nice, the Queen ordered the open carriage, which is draw by six horses, As they were trotting down the Mall, one of the horses broke wind very noisily. This embarrassed the Queen no end, and she turned to the president and said " I do apologise for that Mr President" which he replied " That is all right your Majesty, but I thought it was one of the horses".

A woman was trying hard to get the ketchup out of the jar. During her struggle the phone rang so she asked her 4-year-old daughter to answer the phone. 'Mommy can't come to the phone to talk to you right now. She's hitting the bottle

I will seek and find you . . I shall take you to bed and have my way with you I will make you ache, shake & sweat until you moan & groan. I will make you beg for mercy, beg for me to stop. I will exhaust you to the point that you will be relieved when I'm finished with you. And, when I am finished, you will be weak for days. All my love.

The Flu Now, get your mind out of the gutter and **go get your flu shot!**

### **COBAKI COBBA'S SOCIAL LAWN BOWLS CLUB**

The original idea of organizing a bowling club within the village came from Vic Richardson with the first meeting taking place in the Rec Hall on Tuesday August 4th, 2009 for any persons interested. That meeting had 17 people attending and heard different points of view regarding starting the club. At that stage we didn't have a name but asked for suggestions. A committee was elected President: Vic Richardson Secretary: Jim Morton Treasurer: Trish Terry. The idea of the club was to play games at various bowling greens every few weeks as well as have fun and make friends. At our next meeting on August 27th, 2009 'Cobaki Cobba's' was the name chosen. Our first day to play as a new team was on Sunday, October 25th 2009 at Condong Bowls Club. Since then we have played regularly at Condong, along with games at Brunswick Heads, Cudgen & Kingscliff, Just recently we also played down at Byron Bay travelling down by coach. An overnight visit to Gympie last October was another great success. What a great time we all had! Our greatest achievement has been the winning of the 'Legacy Day Trophy'. Membership is now up to 48 people which from just an idea almost two years ago shows how successful our little club is today.

A big 'Thank You' to all members for your support and friendship from the Committee.

On the next page is the story of their great win, it just goes to show what happens in the village when someone gets an idea, it can turn out to be a hit with folks as this one has. (*more next page*)

## CONGRATULATIONS TO COBAKI LAWN BOWLS.

It is congratulations to our teams that represented our club at Condong on 'Legacy Day'. It was a great day for both players and supporters. After 'Cobaki' was overlooked as a team being presented at the beginning of the proceedings, they soon were reminded we were there *when we won. The perpetual trophy* which will have our club name on stays at Condong Bowls Club. Our President *Vic Richardson*, received a smaller keepsake trophy of the members which we are very proud of. **WELL DONE!!** Bet they'll be watching out for us next year!!

Another great day was enjoyed by all at Cudgen Bowls Club on Sunday April 17th. The rain soon cleared and the games were able to get under way, it was followed by lunch. We will be travelling to Ocean Shores for our next game **Sunday May 15th**. Due to parking spaces being limited we are going by coach which is being subsidised by our club funds. The bus will be **leaving at 7.45am**. Cost of the trip is **\$20** per person, which includes lunch. Please place your money in an envelope with your name & house number, then post it in **mail box 273 by Thursday—May 12th**. **Green fees &8.00** to be paid on the day at Ocean Shores. List on the notice board for your names. A return trip to Brunswick has been suggested for **June**.

Dates and details still to be finalised. Details for our overnight trip away on October 22/23rd will be available soon. Please note that there will be **NO monthly meeting in May** due to public holidays etc. Next meeting will be **JUNE 5th** in D.K.Centre at 10.00am.

Happy Bowling *Vic & Jim*

Holding the trophy

The happy group of players and supporters with that very important trophy at Condong.

They arrived home with big smiles on their faces and a **FIRST PRIZE** win complete with their first trophy. We are sure it is only going to be the first of many. Congratulations.

To all who have made in-

Further to our sighting of the “Cobaki Monster”, we had two more, taken by an anonymous resident. Both photos taken early on April 1st. So this confirms, without a doubt, we do have something lurking in the depths of our Cobaki Lake

quiries about the fish that were put into the lake on **Friday April 1st**, we have been able to assure them of their safety!!!! Catching them could cause quite a problem.

**Jack Evans Boat Harbour:-** The Council are intending to open Stage One of the Harbour upgrade by the end of May. Unfortunately, not in time for the school holidays. I was told that the area where the War Memorial is located will have been tidied up in time for Anzac Day.

**Piggabeen Rd. Deviation:-** I have been unable so far to get information from the Council on the lack of signage on our new road. So, until I do we will just have to keep telling our visitors to go straight ahead through the roundabout and not bear left onto the old road. Major work now being carried out is going to improve greatly the state of that section.

*Myrna*

Because they had no reservations at a busy restaurant, My elderly neighbor and his wife were told there would be a 45-minute wait for a table. 'Young man, we're both 90 years old,' The husband said. “We may not have 45 minutes. They were seated immediately!

**WORK ON KENNEDY DRIVE.** We have also heard some news, when the Mayor was taking questions on talk back radio. The resealing and making Kennedy Drive into a four lane road, is to start in August, but he also added that its going to be months to complete and it will cause chaos. Seeing that it already causes a line up now to get out of Kennedy drive it makes the mind boggle working out how much worse it can get before it gets better.

Jewish grandmother and her grandson are at the beach. He's playing in the water, she is standing on the shore not wanting to get her feet wet when all of a sudden, a huge wave appears from nowhere and crashes directly onto the spot where the boy is wading. The water recedes and the boy is no longer there, he was swept away. The grandma holds her hands to the sky, screams and cries: "Lord, my GOD, how could you? Haven't I been a wonderful grandmother? Haven't I been a wonderful mother? Haven't I kept a kosher home? Haven't I given to charity? Haven't I lit candles every Friday night? Haven't I tried my very best to live a life that you would be proud of? " A voice booms from the sky, "All right already!"

A moment later another huge wave appears out of no where and crashes on the beach. As the water recedes, the boy is standing there.

He is smiling and splashing around as if nothing had ever happened.

The voice booms again. "I have returned your grandson. Are you satisfied?"

She responds, "**He had a hat.**"

It is with sadness we bring news of the passing of

**ERNIE LIDGARD.** ( formally house 137)

Ernie passed away in Tweed hospital after a long illness on April 4th 2011.

Ernie and Sylvia (dec) moved into the village just on 14 years ago.

Ernie had been in a nursing home for the last 12 months.

Ernie was a much loved resident and always had a smile and a laugh with all who knew him

## GARDENING WITH ROSS

Growing Herbs in your back this year. Now is the time to grow herb in poly boxes or an area that has good sunlight. You need really good soil, buying top quality potting mix will do, but you need to add some cow/chicken manure to the mix to increase the bacterial content for Parsley, mint, rocket, chives, Garlic leaves plus the other favourites you use. Having them fresh by the kitchen always works a treat and lifts the meal.

Happy Gardening **Ross**

**TWEED HOSPITAL AUXILIARY** The Tweed Hospital Auxiliary's annual Fashion Parade will be held on **23<sup>rd</sup> May** in the Civic Centre, Tweed Heads. Tickets will be \$15.00 and are available from the following people in the village –

**Denise Morton** – 171, **Helen Jarvis** 170, **Elaine Torrie** 306 & **Jean Carter** 17.

Tickets in our raffle are also available – prizes for the raffle are:

Microwave, ipod doc, Manchester Slow Cooker

**Thanks.** The Computer Club would like to thank the Social Club for their gift of \$200 which enabled us to buy a second hand computer. It is much appreciated and we can assure you, it will be well used. The computer is used every Friday at our meetings.

**FOR SALE** Admiral Fridge— Frost Free Model 325. Featuring upside down freezer and this unit is in excellent condition. No longer needed. Contact Geoff or Maggie 106. ph **0409934672**

**WANTED:** Someone to do some light gardening/pruning. Please contact Myrna (150) **55997061**

**CLEANING OUT THE WARDROBE.** **Jeannie Chenery @ 185**, is also happy to have you drop any unwanted clean cloths, Jeanie will take them to the Cancer Op Shop for others to get some use of them and also helping folks with cancer at the same time.

Due to illness both Sis and Barry Cook ( 155) have moved into the nursing home at the end of Carramar Drive (past Seagull playing field). They are both to-gether down there and quite happy

A 2009 study found that the average Australian walks about 900 miles a year.  
Another study found that the average Australian drinks 22 gallons of beer a year.

That means the average Australian gets about 41 miles per gallon.

Bloody good value that!!!!

A Doctor was answering a large audience in Coolangatta. His address was a very interesting one He continued “ The material we put into our stomachs should have killed most of us sitting here, years ago. Red meat we put is full of steroids and dye. Soft drink corrode your stomach lining. Chinese food is loaded with MSG. High transfat diets can be disastrous and none of us realised the long-term harm caused by the germs in out drinking water. But, there is one thing that is most dangerous of all and most of us, or will eat it. Can anyone here tell me what food it is that causes the most grief and suffering for years after it is eaten.

After several seconds of quite, a 70-year-old man in the front row raised his hand slowly and very softly said, “ Wedding cake.”

## WELCOME TO NEW RESIDENTS.

We would like to say a very big welcome to two new couples who have just joined us in the village.

To **TRISH & DON CARRICK** (341) who seemed to have bought some of the Tasmania weather with them, they moved up here a little while ago, now they are settled into their new home.

They are very keen gardeners and have already acquired a Veggie patch, which they have turned over and ready to start planting it up. Walking is another love of theirs along with push bike riding and of course the movies and a good book. We are sure they will enjoy the life style as they join in things and make new friends. **MAGGIE & GEOFF SYNON** ( 106) Have also travelled from a cooler spot Melbourne. Like us all they are still settling things into their right spot. Gardening is also a hobby of theirs. When I asked Geoff what his hobbies were he said very quickly-GOLF -GOLF-GOLF. I took it from that quick answer that it comes first. Although they do have conflict of interest when it's comes to AFL footy, Maggie is a Collingwood supporter and Geoff is an Essendon!!! Maggie loves Rock & Roll, there is plenty of that up this way. Geoff was very quick to tell me that Shopping for clothes was Maggie's number one sport, we can understand that girls, can't we!

It was a real delight to chat with both these couples and we are sure that they will find the village a great place to live. Thank you for giving us the time to have a chat.

## CARPET CLEANING .

If your carpet is in need of cleaning we can pass on another very good company who have been in the village and done excellent work. Their work was done in a real professional way with every bit of help that you could ask for as well. The cost of course depends on just what you want doing, but very reasonable As well as the carpets they do upholstery cleaning— repairs — and restretching They are well worth giving a call.

## Happy 88th Birthday to EDITH DOYLE

Edith has been in the village 11½ years, she has moved from house 171 up to house 80, it is closer to all facilities for her. Edith has been involved with the Single Ladies. Edith told me that she likes to sit and read the newspapers in the afternoon with the sun shining through her window, but it is so beautiful there that she ends up falling asleep. Why not!!

We ask Edith was there anything that she was going to do special for her birthday which falls on May 13th, her answer was she doesn't know exactly but it will be something involved with her family. She is very proud of her 7 grandchildren and 7 great grandchildren, the family all live mostly in Brisbane. One of her grandchildren is a doctor and another a teacher. We do hope that her special day is filled with happiness and love.

**SHIRLEY'S BUS TRIP.** Firstly news on Shirley's health, by the time this paper comes out we hope that she has had some start on treatment and will be starting to pick up a bit. Shirley would like to thank all who have inquired about her health and sorry there hasn't been a lot to tell anyone.

From all the supporters of Shirley's trips we would also like to let her know that she is in our thoughts and wish her a speedy recovery.

Our last trip to Greenbank RSL was a success, thanks to Pam Curry for taking over the reins, you did a great job Pam and it was appreciated by us all. The Easter Eggs were a nice surprise. The food was good and it was nice all being seated together. It was a very busy day at

Greenbank, we came away with some winners. You are asked to watch the notice board for the next bus trip, it will be posted as soon as it is sorted out.

Once again thanks Pam for making our day another Shirley's bus trip a success.

**On a positive note...**I've learned that no matter what happens, or how bad it seems today, life does go on, and it will be better tomorrow. I've learned that you can tell a lot about a person by the way he/she handles these three things: a rainy day, lost luggage, and tangled Christmas tree lights. I've learned that regardless of your relationship with your parents, you'll miss them when they're gone from your life. I've learned that making a 'living' is not the same thing as making a life. I've learned that life sometimes gives you a second chance.

I've learned that you shouldn't go through life just being a doormat. You need to be able to throw something back. I've learned that whenever I decide something with an open heart, I usually make the right decision. I've learned that even when I have pains, I don't have to be one. I've learned that every day you should reach out and touch someone. People love a warm hug, or just a friendly pat on the back. I've learned that I still have a lot to learn. I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.

---

It was the end of the day when I parked my police van in front of the station. As I gathered my equipment, my K-9 partner, Jake, was barking, and I saw a little boy staring at me 'Is that a dog you got back there?' he asked. 'It sure is,' I replied. Puzzled, the boy looked at me and then towards the back of the van. Finally he said, 'What'd he do?'

## COBAKI LITTLE THEATRE.

We would like to thank all who have supported our last show **BI&S & PIECES.** Being the first of our shows on the new stage. There has been a lot of changes made to the stage and curtains. This all makes our work a lot easier. We did put on a show for the flood appeal but all was not finished at that stage. It has all been new in many ways to what we had been doing over many years. But we are now getting our heads around it all.

We will be putting another show on around **October/ November**, no date has been set at this stage. It will be a very different show but we tell you more about that when the time is closer. Although we put a lot of time into rehearsals, it is also a very happy time for us all as we strive to get everything right. Our cast are residents of the village, who give a lot of their time. We do receive help from residents who don't want to join the group but willing to give us a helping hand when we ask for it. Costumes are made by the members of the cast. There is a lot more to putting on a show than the rehearsals there are many things that have to be sorted out. The music is something that takes quite a lot of time finding the right music and songs, then having it all arranged on a disc for the show.

All the monies that we take at the shows goes back into the equipment. Keeping our sound system is not a cheap to keep it up to a good standard. Cost of material for costumes is also another costly one. But the main reason we continue to put these shows on is for the entertainment for residents in the village. Our village is well known for the activities and entertainment that is offered to our residents. Finally **THANK YOU** to the cast, **great job.** *Kath Ashby*

## THE ROYAL WEDDING

Denise Margaret Elizabeth Victoria Wall wed Prince Bruce Henry George Edward Kettle who is in succession to the Throne of Cobaki Empire.

The wedding was held in the Cobaki Cathedral on 30th April 2011 at 6.30 pm, proceeded by the reception with a gathering of around 100 guests all with royal backgrounds.

They feasted on meat pie mash potatoes veg and Gravy. Followed by trifle.

The charming bride wore a fitted gown of white Satin trimmed with glittering silver, The two charming bridesmaids Lady Trish and lady Norma wore exquisite pink satin gowns.

The ceremony was performed by the Arch Bishop of Cobaki William Lafferty, who conducted the ceremony with grace and poise. As the happy couple were pronounced Husband and wife there was cheering from the gathered guests.

After the ceremony the photographer was busy taking photos of the happy couple.

The destination of their honeymoon has been kept a secret.

## MESSAGE FROM MANAGEMENT

**SPEEDING.** We are still having people not heeding the speed limit in the village. It is **15kph.** We had an incident where a part blind person was narrowly missed by a vehicle speeding. **PLEASE WATCH YOUR SPEED.**

We have quite a lot of people in the village who are **UNABLE** to jump out of the way of inconsiderate drivers. We urge you to watch your speed as you drive in the village.

**NO FOOD TO BE PUT IN THE SKIP. There is no exception to this rule.**
